

Fellowes Hot Summer Sale

Contributed by bherman

Now thru August 31st, we've got some of the summer's hottest prices on Fellowes paper shredders, binding machines and laminators. Fellowes' line of Powershred shredders is the most popular choice for offices across the US. Their new binding machines offer a better way to bind, delivering maximum results with minimal effort. And the new line of Fellowes laminators offer innovative design and superior results.

Stop by our Fellowes Office Products department to start saving!
